

Want to raise your profile and learn how the UK's top companies approach employee experience?

Here's how to apply to judge at the UK Employee Experience Awards 2020.

Express Your Interest

Phone Lisa Bailey on 01223 911755 or email judging@awardsinternational.eu to provide an overview of your experience and find out more about the Awards.

Awards International Review Your Application

Looking at your CV or LinkedIn profile, we will ensure you meet our high standards and find a category that suits you. This usually takes 24 hours.

Confirm Your Place

For £299 (£379 after the early bird period), you can sit on the judging panel, attend the gala lunch and watch the Awards ceremony. Your profile and company logo will be displayed on our Meet The Judges webpage, and you will receive a promotional graphic to use on social media.

Online Judging

For the first phase of judging, you will be allocated 5-9 entries to assess. You then have four weeks to review, score and comment on these entries using our online submission system.

Live Judging

On 14th May 2020, you will conduct the second phase of judging by assessing a series of 30 minute presentations. You will have the opportunity to ask questions, then write your scores and provide written feedback immediately after each presentation, after which your scores will be counted immediately.

Network and Connect

Take advantage of multiple breaks to connect with other judges and finalists, and enjoy the networking opportunities of the three-course gala dinner where the winners will be announced.

Spread the Word

Your profile can keep rising long after the Awards have finished! Use your Judge's Promo Card on your social media and submit content to the Customer Experience Magazine to establish yourself as a thought leader.

"I thoroughly enjoyed being a judge at the UK Employee Experience Awards. I was truly inspired by the entries which were delivered with great energy and enthusiasm. The event is a fantastic networking opportunity, meeting people with similar interests and sharing experiences. It was well organised from start to finish. I can't wait to be a judge again."

Andree Gowar, Research & Strategy Director, dragonfish
